Fleet's David Glazier Offers Business Acumen to LCT Conference

Fleet Transportation co-owner David Glazier will speak at LCT's Fast 40 Panel

Fleet Transportation co-owner David Glazier has worked with his wife Stacey to make Fleet one of the most well-respected transportation companies in the industry. Their hard work has been honored by [Limo, Charter and Tour](#) magazine, who gave Fleet their [National Operator of the Year](#) award. Now, Glazier hopes to inspire other transportation companies with the story of his success by speaking at LCT's [Fast 40 Panel](#) in May.

May 18 through 20 seeks to inspire operators in the transportation industry at their LCT Leadership Summit in Miami Beach. LCT's most prestigious event of the year, LCT Leadership Summit promotes breakthrough ideas, offers cutting-edge education led by experts inside the industry. This year, speakers will be offering attendees inspiration and information on how to succeed in business even during a tough economy. The summit features a Fast 40 Panel, a group of effective transportation company owners under the age of 40, which will feature Glazier speaking on Fleet's successes.

"It's a great honor to be asked to speak at an LCT event," says Glazier. "Fleet has always been dedicated to unbeatable service and it's my pleasure to speak with other operators about how a commitment to quality can transform your business into a success."

Glazier is already a practiced public speaker, advocating for small businesses and the transportation company during national news interviews. Fleet has also earned a [GSA Advantage Contract](#) expanding its reach in the Washington and Alexandria community.

Along with national recognition for excellence in the industry, Fleet has just been chosen as the preferred transportation partner of Alexandria Convention & Visitor's Association.

"As a small business in a competitive market, it's essential that we provide service and value that is beyond compare," says Glazier. "I want to spread the message that great value and work ethic reaps rewards in the transportation industry."

Glazier is also excited to hear the other panelists at Fast 40 speak on the industry he loves.

"It's always wonderful when we come together as an industry," says Glazier. "I am looking forward to learning from my peers how they maintain their levels of excellence."

Fleet Transportation is a luxury car service that serves the Washington DC Metropolitan Area. Fleet offers expert services for business and personal transportation, including shuttle services, sightseeing tours, wine country visits, wedding transportation and event planning.
