Fleet Recognized as a Cut Above the Rest

Fleet Transportation wins NATIONAL 2014 LCT OPERATOR OF THE YEAR AWARD at Las Vegas, Nevada awards ceremony

Alexandria, VA, February 25, 2014 — LCT – Limousine Charter and Tour – honored the best companies of the year at their annual LCT Show in Las Vegas February 16-18, 2014. The group awarded Fleet Transportation Operator of the Year for midsized limousine, charter and tour companies in recognition of our outstanding professionalism, efficiency, customer service and industry involvement.

The award honors the best luxury chauffeured transportation and/or luxury limousine operators in the U.S. The commendation is further proof that Fleet Transportation offers its clients the best service and product in our industry.

“We’re absolutely thrilled with this honor,” says owner Stacey Glazier. “Fleet has always been committed to providing our clients with top-notch service and luxury transportation, so it’s wonderful for our team to be recognized for our hard work.”

Fleet goes beyond providing the best possible experience for customers, we’re also dedicated to preserving our environment. We have been proud partners with Green Ride Global since 2008, earning a Gold membership. Fleet is a member of good standing in the US EPA Climate Leaders program. We have implemented an Environmental Management System as well as strict idle time policy and vehicle monitoring technology which have helped us greatly reduce emissions and promote sustainability in the environment.

“We believe that great service shouldn’t come at a cost to our environment,” says Glazier. “So we made sure to keep our company on the forefront of environmental technology and practices.”

Honored for both our excellence in our industry and devotion to environmental practices, Fleet Transportation is thrilled to start 2014 as one of the best luxury transportation companies in the industry.
